## About ABRSM

Akhil Bhartiya Rashtriya Shaikshik Mahasangh (ABRSM) is a national level Teachers forum initiated with a prime role to propagate the ideology of Nation first philosophy especially in the field of education and society along with safeguarding the interest of the teaching community that includes their pay/allowances/promotions and other service conditions. ABRSM always keeps in mind on its objectives, plans and executes the programmes of social concern and to upgrade the educational prospects of the students. It has also been creating a platform for knowledge dissemination to all teachers speaking different local languages by the way of conducting programmes in all states of the nation. ABRSM plays a pivotal role for catering the needs of teachers and illuminate them with the treasure of latest technical knowledge. Perhaps, ABRSM is sincerely making its strenuous attempts to incorporate the newest developments in science and technology to the teachers by providing them a conducive environment to deliberate with renowned academic / industrial experts. The organization is also encouraging the practice of promoting regional languages and further enhance the collaboration between teachers of various academic Institutions.

## THETA & Its Scope

Tamil Nadu Higher Education Teachers Association (THETA) is a non-profit state level organization affiliated to ABRSM that formed among the academicians of Tamil Nadu and it was initiated with the motto of taking care of the Welfare of the Students, General Public and also the Teachers of Tamil Nadu. It has also been established intending for a prosperous Tamil Nadu and to build India as one among the developed nation. THETA is also committed itself to uphold the democratic values of our nation without compromising its heritage, customs, traditional values and culture. THETA is striving at its best to promote all Indian Regional languages among faculty members and students to improve the teaching-learning process.

## Glimpse of VIKSIT Bharat in Nutshell

VIKSIT is the Version of the Government of India to transform the country into a developed nation by 2047 that marks the 100th year of Independence. Approach and implementation of VIKSIT lies in both as a "whole-of-Government" and "whole-of-Society" and strongly emphasizes the active participation of youth and collaborative efforts from academic Institutions, Government departments, private sector and every citizen of this nation. On these perceptive, ABRSM has been striving hard by involving itself with strenuous attempts to make the nation marching towards the effective implementation of Government programmes for India's prosperity and also to resilient the nation on the global stage by its centenary of Independence.

## Need for Multi disciplinary Approach to Accelerate the Mission of VIKSIT Bharat

ABRSM firmly believes that bringing an environment for the cross pollination of ideas from the innovators and problem solvers hailing from different disciplines foster creativity and leads to novel solutions. In fact, it is witnessed that breakthrough inventions often occurs at the intersection of fields. Owing to interconnected problems, there exists complexity of modern challenges. In such instances, solutions to the complex problem cannot be considered as isolated ones. In order to achieve a comprehensive development covering the four pillars of VIKSIT Bharat viz., Youth Development, Upliftment of Under privileged sections, Inclusivity and Empowerment of women in every sector and to make India as the "Food basket of the world," understanding the interconnections of various sectors through a multidisciplinary lens is crucial for the effective utilization of resources and for the better co-ordination of efforts.

## Core Objective of this National Level Conference

To vest a multidisciplinary mindset among the academic fraternity for enabling every stake holder of Higher Learning Institutions to adapt for the changing demands and to leverage the new opportunities.

## Anticipated Outcome of NCRVB' 2025

The Proposed Themes / Contents of the present conference has been prioritized, in such a way that it may likely to be directly addressing the Intellectual, Social, Economic, Education and even philosophical under pinning's of the VIKSIT Bharat initiatives.
